

The Tall Ships (Wales) Trust

SeaFair 2012 Sunday 24th to Saturday 30th June 2012

Offers from individuals to assist

Please return forms to: Wendy Goldsworthy, Dragon LNG, Main Road, Waterston, Milford Haven, SA73 1DR

Or Email to: wendy.goldsworthy@dragonlng.com
(from whom an email copy of this form can be requested)

As a Pembrokeshire-wide water festival for all communities throughout the Haven and those elsewhere in Pembrokeshire who wish to participate, SeaFair will require a body of volunteers to assist the host ports and their activities, the organisation of related events and to work with the overall co-ordination of the Tall Ships (Wales) Trust.

This form asks for volunteers to provide their contact details and ideas. The completed forms will then enable the Trust to contact the volunteers to discuss how best to address the range of requirements in planning for and undertaking SeaFair 2012 whether by individuals taking on sole responsibility for particular aspects or by participating in teams working on particular tasks.
